

Blood, sweat, popsicle melt. We love summer and we'd love to have you intern with us this season.

We are People of Resource. We are a multidisciplinary studio in Atlanta, Georgia, with a hands-on relationship to materials and output.

Applicants of various backgrounds are encouraged to apply, but preferably with an emphasis on industrial design, graphic design, furniture, multimedia, espionage, or architecture.

Send what really matters to info@peopleofresource.com
